Vendors/not-for-profit provider agencies are able to file the Vendor Responsibility Questionnaire (VRQ) online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep).

**O. Health Information Portability and Accountability Act (HIPAA)**

The Federal Department of Health and Human Services (HHS) established HIPAA Standards for Privacy of Individually Identifiable Health Information (The Privacy Rule). The Privacy Rule (45 CFR Part 160 and Subparts A and E of Part 164) provides the first comprehensive federal protection for the privacy of health information. The Privacy Rule is carefully balanced to provide strong privacy protections that do not interfere with patient access to, or the quality of, health care delivery. HIPAA has an impact upon how OPWDD and contractors will deal with protected health information of our consumers. Likewise, State Mental Hygiene Law § 33.13 requires disclosure of clinical records to be limited to that information necessary for health care providers to administer treatment.

**P. General Duties and Additional Responsibilities**

Maintain a level of cooperation with OPWDD necessary for the proper performance of all contractual responsibilities. Agree that no aspect of bidder performance under the Agreement will be contingent upon State personnel, or the availability of State resources, with the exception of all proposed actions of the bidder specifically identified in the Agreement as requiring OPWDD's approval, policy decisions, policy approvals, exceptions stated in the Agreement or the normal cooperation which can be expected in such a contractual relationship or the equipment agreed to by OPWDD as available for the project completion. Cooperate fully with any other contractor that may be engaged by OPWDD. Agree to meet periodically with OPWDD representatives to resolve issues and problems. Recognize and agree that any and all work performed outside the scope of the Agreement or without consent of OPWDD shall be deemed by OPWDD to be gratuitous and not subject to charge by the bidder.

**Q. NYS Information Security Breach and Notification Act (NYS Technology Law, § 208)**

“Contractor shall comply with the provisions of New York State Information Security Breach and Notification Act (General Business Law § 889-aa; State Technology Law § 208). Contractor’s negligent or willful acts or omissions, or the negligent or willful acts or omissions of Contractor’s agents, officers, employees, or subcontractors.”

The “New York State Information Security Breach and Notification Act” requires entities that conduct business with New York State and own or license “private” data to notify state residents affected by any security breach that results in unauthorized acquisition of the data. “Private” data is defined as unencrypted computerized information that can identify the individual, combined with one of the following data elements: (a) social security number, (b) driver’s license or non-driver identification number” or (c) financial account information such as credit card or debit cards numbers in combination with access codes or PIN numbers. (Private data is considered unencrypted when either identifying information or the data element is not encrypted or is encrypted with a key that has been acquired).

Please ensure care is taken to properly dispose of cigarette butts and rubbish while on OPWDD property.

Reporting will be required via the utilization of two separate forms – "Form A" and "Form B".

In general, however, Form A is to be completed once upon initial contract award and is used to report "planned employment". Form B is required annually and reports on "actual employment figures" for the preceding state fiscal year. The New York State fiscal year commences on April 1st and concludes on March 31st.

**OPWDD will select the responsible and responsive Bidder that will provide the lowest Total Combined Cost for each region. Awards will be made by region. A Bidder may bid on one or multiple regions and multiple regions may be awarded. Multiple contracts may be awarded. All sites included in a region are to be serviced by the winning Bidder. Contractor shall have adequate staff and equipment to complete all work as detailed in the Scope of Work.**

**Only proposals judged to be responsive to the submission requirements set forth in this IFB will be evaluated.**

**Should mathematical errors be made by the Bidder when calculating Lowest Total Combined Cost, the individual prices given for Price per Cleaning/Maintenance per site will be the determining factor. Alterations to the Cost Proposal Form may result in disqualification. All sites in a region must be filled out for the cluster to be considered. OPWDD reserves the right to reject any and all offers.**

**In the event of a tie bid, the award will be made by random selection.**

The total bid for the region is the sum of Column C, which makes up the Total Combined Cost per region.

You may bid on one or multiple clusters. Bidders may be awarded one or more clusters and multiple contracts may be awarded.

Record all Total Combined Costs for each region you are bidding on the Cost Proposal Summary and Signature Page on Page 33.
